Invitation from the Chair of TOS 2024

To

.....

.....Hospital.

It is my pleasure and that of the Tanzania Ophthalmology Society, to invite you to the 5th Annual Scientific Congress to be held from **27th to 28th June 2024** at hotel Verde in Zanzibar hotel.

The theme of this years' congress is ***"2030 IN SIGHT; Climbing the Mountain of Knowledge, Innovation and Collaboration for Brighter Future."*** . .". The Guest of honor will be the **President of Zanzibar, Hon Hussen Ally Mwinyi.**

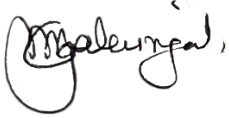

This Congress will bring all Eye Health Cadres and its partners who work in Tanzania to sit under one roof and share their various experiences and updates on Eye Health care issues.

The organizers are busy assembling a faculty of respected speakers, both internationally and locally. It is always rewarding to be a part of this annual TOS event where we can learn alongside fellow leaders and innovators in ophthalmology committed to ensuring that our patients always receive the best in care.

Many great resources, networking opportunities, and conversations will happen at TOS, and I hope that you will join us for the two fulfilling days in Zanzibar.

I am excited to be the Chair at this year's Annual TOS Conference, and I look forward to personally welcoming you in June!

Dr Catherine Makunja

A handwritten signature in black ink, appearing to read "C Makunja", with a large, stylized initial "C" on the left.
